

# FREE COVID-19 TESTING

## FASTER Results, EXPANDED Criteria

**COVID-19 Symptoms:**  
**Fever, Cough, and Shortness of Breath**

**Cobb & Douglas Public Health (CDPH) is expanding its drive-thru testing criteria at both the Jim Miller Park and Hunter Park testing sites to include the following:**

### **The following people with symptoms:**

- Healthcare workers, first responders, and other critical infrastructure workers
- Persons residing in long-term care facilities or other group residential settings
- Persons 65 years of age and older
- Persons with underlying medical conditions
- Household members or care givers of any of the groups above
- Persons with close contact with a known COVID-19 case
- Persons with mild symptoms in communities experiencing high numbers of COVID-19 hospitalizations

### **The following people without symptoms will also be tested as capacity allows:**

- Healthcare workers, first responders, and other critical infrastructure workers that have been exposed to COVID-19
- Employees and residents of a long-term care facility or other group residential setting experiencing an outbreak of COVID-19

### **Do you qualify for testing?**

To see if you qualify for COVID-19 testing, contact your healthcare provider, a provider at a federally qualified healthcare center or complete an assessment at [CDPHCOVID19testing.org](https://www.cdphevents.org/covid19testing) or contact the CDPH Call Center at **770-514-2300**. It will be determined if a test is needed and then you will be scheduled.

**Testing is by appointment only.**
