**COBB COUNTY BOARD OF EDUCATION  
AGENDA ITEM  
September 17, 2020**

**TOPIC:**

**AGENDA ITEM #1** – Recommendation for Approval of School Properties Disposal per District Administrative Rule DO-R

**BACKGROUND/RATIONALE:**

Through normal operations, the district generates surplus property and equipment due to damage and obsolescence on a regular basis. Items that are no longer needed by a school or department but are still in good condition and re-usable are made available to other schools and departments at no charge. Items that are no longer usable in the District are declared surplus. **State Law requires School Board approval for District Property to be designated as surplus under §20-2-520 of the Georgia Code of Laws.** The need to dispose of these items in an efficient, cost effective and expeditious manner is imperative to the district. Items are currently stored in the District warehouse that have been deemed surplus. A complete list of current surplus items is on file in the Superintendent's office or on the District's website under Meeting Agenda Items. All items listed are no longer of use by the District.

Methods available to dispose of surplus items include:

Public auction

Sealed bid or private sale

The State of Georgia Department of Administrative Services on-line and public auction services

Sale to other public-school districts at costs equal to previous auction results

On line auctions

Negotiated contracts

Upon Board approval of the attached lists, the Business Services Division will dispose of this surplus in a manner that is the most cost effective and efficient for the district as outlined in Administrative Rule DO-R. Acceptable methods of disposal will be continually reviewed to maximize our return on investment.

**SUPERINTENDENT'S RECOMMENDATION:**

Approve the recommendation for authorization of School Properties Disposal as detailed in the lists on file in the Superintendent's office.

**COST:**

The District will receive revenue for the disposal of these items. The revenues received will assist in deferring labor costs for management of the disposal process

**AGENDA ITEM**  
**September 17, 2021**

**TOPIC:**

**AGENDA ITEM #2** – Recommendation for Approval of the Local Plan for Vocational Education and One-Year Funding Application for FY2021

**BACKGROUND/RATIONALE:**

In accordance with the Carl D. Perkins V Vocational and Technical Education Act of 2018, it is necessary to develop and submit to the State Department an approved Local Plan and One-Year Application for state and federal vocational education funding. The amount of the basic grant for FY2021 is \$809,771. Approval of the Local Plan/One-Year Funding Application constitutes an agreement with the State to improve LEA performance on specific core indicators related to CCRPI and infused within Career, Technical and Agricultural Education (CTAE) programs, graduation rates, career pathway instruction/completion, attainment of credentials of value, and student participation/completion in nontraditional gender-based career pathway programs and Work-Based Learning. These funds will support program improvement of CTAE programs and services. Board approval of the plan must be recorded in the official minutes of the Board of Education meeting in order to receive state and federal funding. The Local Plan and its One-Year Funding Application are maintained on-line within the Georgia Department of Education’s Consolidated Application Portal.

Board approval of this application is a routine part of the budgeting process to obtain available state and federal funding in support of Career, Technical, and Agricultural Education. Assurances required of the local Board of Education have been met in the development of this document.
