

DECEMBER 21, 2021 ZONING HEARING

“OTHER BUSINESS”

COMMISSION DISTRICT 3

ITEM OB-75

PURPOSE

To consider a stipulation amendment for Mt. Bethel Christian Academy, Inc. regarding case SLUP-11 (Mt. Bethel United Methodist Church, Inc.) of 2013. The property is located on the north side of Post Oak Tritt Road, west of Holly Springs Road, in Land Lots 599, 600, 625 and 626 of the 16th District (2509 Post Oak Tritt Road).

BACKGROUND

The applicant was granted a Special Land Use Permit by the Board of Commissioners in 2013 for a private school, with subsequent approvals for other site plan amendments. One of the stipulations approved the property site plan specific. The applicant would like to revise the site again to do three things: 1) Relocate the athletic field house to the south end of the athletic field; 2) relocate 82 parking spaces to the north end of the tennis courts; and 3) add 39 more parking spaces for a grand total of 121 parking spaces. The applicant has submitted Exhibit B which explains the proposed revision. If approved, all previous zoning stipulations not in conflict with this amendment would remain in effect.

STAFF COMMENTS

Fire comments: See attached.

Cobb DOT: Recommend retaining the following DOT recommendations from OB-26-2021: a. Maintain a maximum school enrollment of 625 students as designated in SLUP-11-2013; and, b. Recommend applicant be required to meet all Cobb County Development Standards and Ordinances related to project improvements.

RECOMMENDATION

The Board of Commissioners conduct a public hearing and consider the proposed stipulation amendment.

ATTACHMENTS

Other Business application and zoning minutes.

FIRE COMMENTS:

The owner/tenant maintain the sole responsibility for the design and correcting all errors, omissions, problems, and code (if any) exposed during construction AFTER authorization by Cobb County

FIRE HYDRANTS:

Hydrant location within 500 feet of the most remote portion of the structure.* (Additional hydrant may need to be installed.)

IFC 510- EMERGENCY RESPONDER RADIO COVERAGE. New buildings are required to provide radio coverage for emergency responders per the International Fire Code. Testing is required by a third party and when deemed necessary amplification systems are required before the building will be issued a certificate of occupancy. This message is to serve as an early notification to owners and developers for budgeting purposes.

FIRE ENGINE ACCESS: The fire department must be able to access the long side of the building.

ACCESS: Fire apparatus access roads shall extend to within 150 feet of all portions of the facility or any portion of the exterior wall of the first floor (State Modifications IFC 503.1 2012 Edition).

All access roads shall meet the American Association of State and Highway Transportation Officials (AASHTO) design manual live load standard HS20 (75,000 lbs.) with an unobstructed width of not less than 20 feet, 25 foot inside radius, 50 foot outside turning radius and unobstructed vertical clearance of not less than 13 feet 6 inches.

Maximum slope of the access road in reference to the apparatus is 10% Front to Back and 5% Side to Side. Maximum grade of roadways leading to Fire Access roads refer to the Cobb County Development Standard Section 400: 14% for Non-Residential. Maximum angle of departure is 8.5%.

Dead-end access roads more than 150 feet shall be provided with a turn-around (IFC Chapter-5, 120-3-3 Rules and Regulations, CCDS Section-401 & 402). Refer to APPENDIX-D for dimensional criteria for turn-arounds in commercial developments.

Aerial apparatus access shall be required for all structures over 30 feet in height measured from the lowest level of fire department access to the ceiling height of the highest occupied floor level. Aerial fire apparatus access roads shall be a minimum width of 24 feet maximum of 40 feet from the structure and be positioned parallel to one entire side of the building. No overhead utility and power lines shall be located within the aerial fire apparatus access. (Cobb County Development Standards 401.08.02.1)

C/O: Plans must be submitted to the Cobb County Fire Marshal’s Office to initiate the Certificate of Occupancy process.

FIRE COMMENTS:

Gates

Gates securing fire apparatus access shall be a minimum 14 feet in clear width for a single lane and 20 feet for a double lane. The gates shall not reduce the operating width of the roadway. Double lane gates shall be a minimum of 20 feet in clear width. Gates shall be of the swinging or sliding type. Electric gates shall be equipped with a means of opening the gate by fire department personnel for emergency access. Emergency opening devices shall be approved by the Cobb County Fire Marshal’s Office.

Modifications may be required to incorporate the Cobb County Fire Marshal’s Office comments.

International Fire Code (IFC) Appendix D

(Adopted by the State of Georgia at the beginning of 2020. Partially noted below.)

SECTION D103

MINIMUM SPECIFICATIONS

D103.1 Access road width with a hydrant.

Where a fire hydrant is located on a fire apparatus access road, the minimum road width shall be 26 feet, exclusive of shoulders (see Figure D103.1 in Appendix D).

SECTION D104

COMMERCIAL AND INDUSTRIAL DEVELOPMENTS

D104.1 Buildings exceeding three stories or 30 feet in height. Buildings or facilities exceeding 30 feet (9144 mm) or three stories in height shall have not fewer than two means of fire apparatus access for each structure.

D104.2 Buildings exceeding 62,000 square feet in area. Buildings or facilities having a gross *building area* of more than 62,000 square feet (5760 m2) shall be provided with two separate and *approved* fire apparatus access roads.

Exception: Projects having a gross *building area* of up to 124,000 square feet (11 520 m2) that have a single *approved* fire apparatus access road where all buildings are equipped throughout with *approved automatic sprinkler systems*.

D104.3 Remoteness. Where two fire apparatus access roads are required, they shall be placed a distance apart equal to not less than one half of the length of the maximum overall diagonal dimension of the lot or area to be served, measured in a straight line between accesses.

BEFORE THE COBB COUNTY BOARD OF COMMISSIONERS

Applicant and Property Owner, Mt. Bethel Christian Academy, Inc. (hereinafter collectively "Applicant"), is the owner of approximately 33.4 acres located on the northerly side of Post Oak Tritt Road, westerly of Holly Springs Road, Land Lots 599, 600, 625, and 626, 16th District, 2nd Section, Cobb County, Georgia, and being more particularly known as 2509 Post Oak Tritt Road. On November 19, 2013, the Cobb County Board of Commissioners approved a Special Land Use Permit requested by Applicant for the Property. As a result of the approval, Applicant opened its high school campus on the Property in August 2014, which has been in operation since that date. Applicant continues to operate its main church and lower school (pre-school, elementary, and middle) at its campus on Lower Roswell Road. When it received approval of the Special Land Use Permit, Applicant contemplated a phased growth and expansion for its upper (high school) at the North Campus. Since obtaining approval of the Special Land Use Permit in 2013, Applicant has received approvals from the Cobb County Board of Commissioners for modifications to the North Campus.

Applicant now seeks approval of a modification to the Site Plan to allow for construction of the previously approved athletic field and attendant facilities and parking. Modifications to the Site Plan, include, but are not limited to:

- Relocation of the proposed future field house to the south end of the athletic field (approved on the west side of the athletic field in SLUP-11 (2013));
- Relocation of previously approved eighty-two (82) parking spaces from south of the tennis courts to north of the tennis courts;
- Addition of thirty-nine (39) parking spaces, allowing for a total of one hundred twenty-one (121) additional parking spaces.

Applicant submits for approval in this Application for "Other Business" the Site Plan prepared by On Site Civil Group, dated September 15, 2021, a reduced copy of which is attached hereto as Exhibit "1."

The proposed athletic field was approved in the original Special Land Use Permit, and the approval of the revised Site Plan will allow for enhancements and improvements to be made to the initial and subsequently approved Site Plans. These modifications are proposed as a result of engineering on the site and to best utilize the Property for now and in future years.

The amended and revised Site Plan proposed for the North Campus in no way adversely impacts or affects the quality or integrity of the Campus and overall development. If the requested, revised Site Plan is approved, as submitted, it shall become an additional part of the final rezoning and shall be binding upon the Subject Property.

Unless otherwise specifically set forth herein, the balance and remainder of the stipulations and conditions enumerated in the official minutes, and any attachments thereto, of the Board of Commissioners Zoning Hearing held on November 19, 2013, as to SLUP-11 (2013); as well as, any other amendments approved by the Board of Commissioners through "Other Business" Applications or the District Commissioner, and which are not otherwise in conflict herein, are unaltered or unchanged by this request for Site Plan Approval.

Re: Application for Special Land Use Permit, Cobb County, Georgia by Mt. Bethel United Methodist Church, Inc. for private school (the "*Application*") on the property now known as the Marcus Community Center at 2509 Post Oak Tritt Road, Marietta, Georgia (the "*Property*")

STATEMENT OF PROPOSED SITE IMPROVEMENTS

Ladies and Gentlemen:

This law firm has the pleasure of representing Mt. Bethel United Methodist Church, Inc. (the "*Mt. Bethel*"), with respect to the Application. Mt. Bethel respectfully submits for your consideration the Application, the approval of which will result in the County's issuance of a special land use permit ("*SLUP*") to allow the Property to be used for a private school.

Background - The Property

The Property, which has been owned and operated by the Marcus Jewish Community Center of Atlanta, Inc. (the "*JCC*") since 1986 ("*Owner*"), is an approximately 33.255-acre tract zoned R-20, which fronts on the north side of Post Oak Tritt Road. The JCC holds a special land use permit for the purpose of a Jewish community center, which was originally granted pursuant to Application No. 357, heard November 18, 1986, and which has been amended several times in the almost thirty years since its original approval. The majority of the adjacent properties are zoned R-20, although there are several neighborhoods to the south of the Property zoned R-15 OSC and RA-4.

Currently, the Property is improved with an approximately 21,000 square foot classroom building, an approximately 14,000 square foot gymnasium, covered basketball courts, an approximately 4,000 square foot pool and an outdoor pool, tennis courts, a lighted baseball field and other existing structures more particularly shown on the survey of the Property submitted with this Application. The Property is served by one large driveway from Post Oak Tritt Road.

Although the JCC discontinued classroom use of the Property several years ago, it continues to use the gymnasium and playing fields on a regular basis. The Property has been marketed for sale for

approximately 2 years. The JCC and Mt. Bethel have entered into a sales contract pursuant to which Mt. Bethel has the right to seek a special land use permit application for a private school and to acquire the Property upon the terms and conditions of the parties' sales contract. Mt. Bethel's proposed private school is a permitted use for the Property, upon issuance of the requested SLUP.

Mt. Bethel's Proposed SLUP

Mt. Bethel's currently owns and will continue to operate on its approximately 44-acre campus in East Cobb at 4385 Lower Roswell Road. Mt. Bethel has served the church and community needs at this location since 1971 and in this portion of Cobb County for over 100 years. Since 1998, Mt. Bethel has operated the Mt. Bethel Christian Academy (the "Academy") on its existing church campus. Specifically, on August 21, 1998, the Academy opened with two kindergarten classes. The Academy now serves approximately 500 students in grades Kindergarten through Eighth. The Academy enjoys full dual accreditation through the Southern Association of Independent Schools (SAIS) and Southern Association of Colleges and Schools (SACS).

For a number of years, Mt. Bethel has been committed to expanding its educational outreach by offering high school grades Nine through Twelve, and it is committed to doing so in Cobb County. To that end, Mt. Bethel has been looking for an appropriately sized tract of land that would support an Academy High School. The Property provides an excellent opportunity for this expansion.

Mt. Bethel proposes to operate the Academy's High School on the Property with minimal initial site improvements, and Mt. Bethel has engaged the architectural firm of Collins Cooper Carusi to assist in its site planning and renovations. Specifically, as shown on the Phase I Site Plan enclosed, Mt. Bethel is proposing the following additional improvements: (i) an approximately 4,000 square foot addition to the existing classroom building (with interior renovations as well), (ii) an approximately 2,000 square foot addition to the existing gymnasium building, (iii) a slightly widened driveway, new parking, and (iv) a new multi-purpose field. Mt. Bethel anticipates that these Phase I improvements would serve the Academy's High School for several years, as students matriculate from its existing Eighth Grade and the High School builds its reputation and student population.

Mt. Bethel also is submitting for consideration and approval a Phase II Site Plan, based on an estimated 5 to 10 years of occupancy of the Property and expansion of the Academy's High School. As shown on the Phase II Site Plan, Mt. Bethel would re-orient several of the buildings and uses of buildings on the Property. As shown on the enclosed Phase II Site Plan, all buffers and setback requirements would be maintained, as well as significant vegetation surrounding the Property, with the bulk of structures remaining to the interior of the Property.

Zoning Requirements

Chapter 134 of the Official Code of Cobb County, Georgia, as the same is amended from time to time (such Chapter being the "*Zoning Ordinance*"), and specifically, Section 134-271(7) thereof, sets forth the zoning requirements applicable to SLUP applications for private schools on property within the County. In satisfaction of these requirements, and in addition to this Statement, Mt. Bethel submits the following documents for the Division's review:

1. Application for Special Land Use Permit, Cobb County Georgia, including the requisite corporate authorization of Owner;
2. Copies of the Property warranty deeds to Owner;
3. Metes and Bounds legal descriptions of Property and Site;
4. Copy of the paid tax receipt for the Property¹;
5. Zoning Standards Analysis (addressing SLUP considerations);
6. Site Plans (5 full sized copies; 2 copies measuring 8 ½ x 11);
7. Survey;
8. Consent of Contiguous Occupants or Land Owners²;
9. Application Fee (\$1,000.00); and
10. Sign Deposit and Fees (\$318.00).

Mt. Bethel's Application meets and exceeds the minimum requirements of Section 134-271(7) of the Zoning Ordinance. Furthermore, Mt. Bethel is seeking no concurrent variance requests in connection with the Application.

¹Note: the JCC is a tax-exempt entity as is Mt. Bethel. The tax status of the Property will not change.

²Mt. Bethel understands that Cobb County requires applicants seeking special land use permits to discuss the proposed use with the contiguous neighbors and to seek their consent to the proposed use. On Thursday, August 29, 2013, one of Mt. Bethel's members visited all contiguous property owners and attempted to obtain their consent on the petition to accompany this Application. The results of that initial outreach attempt are enclosed. Mt. Bethel will continue to contact these neighbors, and Mt. Bethel will also notify in writing all property owners within a 1,000-foot radius of the subject property as shown on the most current tax records. Such notice will be accomplished by mailing a copy of the Application form and proposed site plans by first class mail. Mt. Bethel will then file with the Zoning Division of Cobb County a certificate of mailing from the United States Post Office.

The Application and the accompanying documents support Mt. Bethel's request for the Academy High School SLUP and comply with all Cobb County zoning requirements.³ The Owner and Mt. Bethel respectfully request that the Division recommend the approval of the Application to the Board for consideration at the next available public hearing.

We are happy to answer any questions or provide any information that the Division, its consultant or the Board may have with regard to the Application.

³ Mt. Bethel notifies Cobb County of its constitutional concerns. If the Board denies the Application in whole or in part, then the Property does not have a reasonable economic use under the Zoning Ordinance. The Application meets the test set out by the Georgia Supreme Court to be used in establishing the constitutional balance between private property rights and zoning and planning as an expression of the government's police power. See Quhl vs. Holcomb Bridge Road, 238 Ga. 322 (1977). If the Board denies the Application in whole or in part, such an action will deprive Mt. Bethel and Owner of the ability to use the Property in accordance with its highest and best use. Similarly, if the Board limits its approval of the SLUP by attaching conditions thereto affecting any portion of the Property or the use thereof, either of such actions being taken without Mt. Bethel's consent, then such action would deprive Mt. Bethel and Owner of any reasonable use and development of the Property. Any such action is unconstitutional and will result in a taking of property rights in violation of the just compensation clause of the Constitution of the State of Georgia (*see Ga. Const. 1983, Art. I, § 3, para. 1(a)*), and the just compensation clause of the Fifth Amendment to the United States Constitution (*see U.S. Const. Amend. 5*). To the extent that the Zoning Ordinance allows such an action by the Board, the Zoning Ordinance is unconstitutional. Any such denial or conditional approval would discriminate between Mt. Bethel and Owner and owners of similarly situated property in an arbitrary, capricious, unreasonable and unconstitutional manner in violation of Article I, Section I, Paragraph 2 of the Georgia Constitution and the Equal Protection Clause of the Fourteenth Amendment to the United States Constitution. Finally, a denial or a conditional approval of the Application (with conditions not expressly approved by Mt. Bethel) would constitute a gross abuse of discretion and an unconstitutional violation of Mt. Bethel's rights to substantive and procedural due process as guaranteed by the Georgia Constitution (*see Ga. Const. 1983, Art. I, § 1, para. 1*) and the Fifth and Fourteenth Amendments of the United States Constitution (*see U.S. Const. Amend. 5 and 14*). Mt. Bethel further challenges the constitutionality and enforceability of the Zoning Ordinance for lack of objective standards, guidelines or criteria limiting the Board's discretion in deciding applications for SLUP.

Re: Application for Special Land Use Permit No. SLUP-11 by Mt. Bethel United Methodist Church, Inc. for private school (the "*Application*")

CONDITIONS TO APPLICATION

Dear Jason:

As you know, this law firm has the pleasure of representing Mt. Bethel¹ with respect to the Application. Mt. Bethel hereby submits the following proposed zoning conditions with respect to the Application. If Mt. Bethel's Application is approved by the Board of Commissioners, as requested, Mt. Bethel agrees to comply with the following conditions:

1. SLUP #11 shall be conditioned generally upon the Phase I and Phase II site plans prepared by Collins Cooper Carusi, dated August 29, 2013, last revised October 15, 2013, and filed with Cobb County on October 24, 2013 (collectively, the "*Site Plans*").
2. The 85-foot and 65-foot buffers shown on the Site Plans along the northern and northwestern property lines adjacent to properties fronting on Alberta Drive shall be maintained for so long as those properties adjacent to such northern property line but fronting on Alberta Drive are (i) used for single-family residences or (ii) are owned by a party other than Mt. Bethel. Once the conditions of (i) or (ii) are satisfied, then notwithstanding condition #1 above or this condition, such buffers shall be reduced to 35-feet.
3. With respect to traffic and parking related issues:
 - a. Mt. Bethel shall provide, when and as necessary between the hours of 7:00 a.m. to 8:30 a.m., a traffic officer to direct and facilitate traffic ingress and egress to and from the Property.

¹ Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Summary of Intent submitted with the Application.

- b. Mt. Bethel shall provide, when and as necessary, bi-directional shuttles to and from the Property to its campus at 4385 Lower Roswell Road, Marietta, Georgia, in an effort to mitigate traffic impacts during the academic year.
- 4. The new multi-purpose field with surrounding track shall not be lighted. There shall be no stadium (meaning no permanent, fixed seating) constructed in connection with such multi-purpose field.
- 5. Any new lighting which Mt. Bethel installs either as replacement lighting for existing lighted playing fields, parking or otherwise, or as new lighting in connection with new improvements shown on the Site Plans, including new parking lots and drives, shall be environmentally sensitive and directed downward and inward to minimize light glare and spillage on adjacent neighbors' properties.
- 6. The following shall be honored during any construction activities on the Property (in addition to compliance with all Cobb County construction standards):
 - a. Construction staging (including all equipment, vehicles, materials storage and construction parking) shall take place entirely on the Property. No construction vehicles or equipment shall be parked along Post Oak Tritt Road.
 - b. No construction activities (expressly including deliveries of materials or equipment) shall occur (i) between the hours of 7:00 p.m. to 7:00 a.m., Monday through Friday (provided that the 7:00 p.m. hour may be extended to 8:00 p.m. during Daylight Savings Time); and (ii) at any time on Sunday. Furthermore, construction activities on Saturdays shall be only between the hours of 8:00 a.m. and 5:00 p.m.
 - c. Mt. Bethel shall notify the District Commissioner at least ten (10) days prior to the commencement of construction of new structures on the Property. Also, during the period of construction, Mt. Bethel will provide the District Commissioner and the President of the East Cobb Civic Association of a contact name and telephone number which will be answered 24 hours a day, 7 days a week regarding problems with the construction.
- 7. No equipment or machinery used for landscape maintenance or the cleaning of drives or parking lots shall be allowed to operate past 9:00 p.m. on any day of the week, or before 6:30 a.m. on weekdays and before 9:00 a.m. on Saturdays and Sundays.
- 8. All garbage and refuse containers shall have lids which shall remain closed when not in use. Dumpsters and trash containers shall only be emptied between the hours of 7 a.m. and 6 p.m. on non-holiday week-days (provided that Mt. Bethel shall use commercially reasonable efforts to ensure that emptying of dumpsters shall not occur during carpool drop-off times).
- 9. Once the Phase II new drive and parking have been constructed along the eastern property line of the Property, in the event of damage or destruction of the existing mature trees and buffering

along said property line, Mt. Bethel shall replant such buffer with similar types of new vegetation and trees in coordination with the Cobb County Arborist to allow for growth that will mature to replace the buffer against neighboring property owners. Furthermore, Mt. Bethel agrees that there shall be no lighting installed within the buffering adjacent to any such new Phase II drive.

10. Mt. Bethel shall limit the number of students in the Mt. Bethel Christian Academy (its Private School on the Property) to 625 full-time students; provided, however this number shall not impact the Mt. Bethel Christian Academy campus located at 4385 Lower Roswell Road, Marietta, Georgia which operates pursuant to a separate Special Land Use Permit.
11. The District Commissioner shall have the authority to approve minor modifications to these stipulations and the site plan as the development proposal proceeds through the Plan Review process and thereafter. For purposes of this paragraph, any modifications that increase density; reduce the size or composition of an approved buffer or landscape strip to adjacent property; relocate a structure closer to a property line; or, increase the height of a building adjacent to property which are in direct contradiction to or conflict with the foregoing stipulations, will come back through the public hearing process as an "Other Business" Application.
12. The following Staff Recommendations: (a) Water and Sewer Division comments and recommendations; (b) Stormwater Management Division comments and recommendations; and Department of Transportation comments and recommendations. Please note that the first three conditions of the Staff Recommendations are address above. To the extent that there is any conflict between the Staff Recommendations and the 12 enumerated conditions contained in this letter, the 12 enumerated conditions contained herein shall govern.

Mt. Bethel respectfully requests the consideration of these proposed conditions, which have been presented to members of the East Cobb Civic Association Board, and Mt. Bethel respectfully respects approval of this application. Please let me know if you have any questions. Thank you.

OTHER BUSINESS

By general consensus, the order of business amended and O.B. 57 was brought forward on the agenda.

Commissioner Ott recused himself from O.B. 57 due to family connections to Mount Bethel Methodist Church.

O.B. 57 To consider a site plan and stipulation amendment for Mount Bethel Christian Academy, Inc. regarding application SLUP-11 of 2013 (Mt. Bethel United Methodist Church, Inc.), for property located on the north side of Post Oak Tritt Road, west of Holly Springs Road in Land Lots 599, 600, 625 and 626 of the 16th District.

Mr. Pederson provided information regarding stipulation and site plan amendments to add four tennis courts and to create community wide programs for swim and tennis facilities on the property. The public hearing was opened and Ms. Ellen Smith and Ms. Jill Flamm addressed the Board. Following presentation and discussion, the following motion was made:

MOTION: Motion by Birrell, second by Goreham, to **approve** site plan and stipulation amendment for Mount Bethel Christian Academy, Inc. regarding application SLUP-11 of 2013 (Mt. Bethel United Methodist Church, Inc.), for property located on the north side of Post Oak Tritt Road, west of Holly Springs Road in Land Lots 599, 600, 625 and 626 of the 16th District, subject to:

- **Site plan received by the Zoning Division August 12, 2014, with District Commissioner approving minor modifications (attached and made a part of these minutes)**
- **Letter from Mr. James M. Ney and Ms. Ellen Smith dated August 12, 2014 (attached and made a part of these minutes)**
- **Pool cover to be approved by the District Commissioner**
- **All previous stipulations and conditions, *not otherwise in conflict*, to remain in effect**

Re: Application for "Other Business" by Mt. Bethel Christian Academy, Inc. (the "Application") with respect to that certain property commonly known as 2509 Post Oak Tritt Road, Marietta, Georgia (the "Property")

Ladies and Gentlemen:

This law firm has the pleasure of representing Mt. Bethel Christian Academy, Inc. ("Mt. Bethel"), with respect to the Application. Mt. Bethel respectfully submits for your consideration the Application, the approval of which will (i) affirm Mt. Bethel's right to use the Property for a variety of community outreach programs, and (ii) allow for the future installation of up to four (4) additional tennis courts in the areas generally shown on the revised site plan submitted herewith.

Background

In 2013, Mt. Bethel contracted with the Marcus Jewish Community Center of Atlanta, Inc. (the "JCC") to acquire the Property, which is an approximately 33.25-acre tract zoned R-20, and which had been used as a Jewish community center since the mid-1980s (see Application No. 357, heard November 18, 1986). On November 19, 2013, the Cobb County Board of Commissioners granted to Mt. Bethel a Special Land Use Permit to allow the Property to be used for a private school. Mt. Bethel subsequently acquired the Property and last week, on August 7, Mt. Bethel is pleased to have opened the doors of its high school on the Property with 9 Freshmen attendees.

"Other Business" Requests

Mt. Bethel is proposing two modifications to its use of the Property in this Application. Over the past year, Mt. Bethel has continued to conduct due diligence and Mt. Bethel has begun interior renovations of the existing classroom building on the Property. But, Mt. Bethel has also been approached with opportunities to provide community outreach with various programs to be held on the Property including, for example and without limitation, tennis and swim lessons for church and school members. So, first, Mt. Bethel would like to confirm that it can undertake these community outreach opportunities for non-Church or school members as well, in many respects, continuing the community center legacy started by the JCC more than three decades ago.

Second, in keeping with its first request, Mt. Bethel also requests a minor amendment to its site plan to allow the location of up to four (4) additional tennis courts on the Property, in the locations generally depicted on the enclosed site plans. These additional tennis courts will be available for use by the school, the Church and, as part of the community outreach programs Mt. Bethel seeks to be able to offer, the community.

Enclosed together with the revised site plan is our law firm's check in the amount of \$359.00 (for Application and sign fees). Also enclosed in connection with the Application are the following:

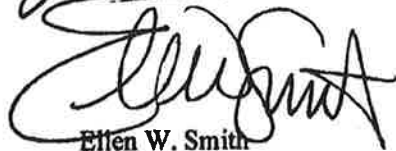

1. A copy of the tax receipt reflecting the exempt status of the Property from the Cobb County Tax Assessor's website; and
2. Copies of the Board's November 19, 2013 minutes and Applicant's zoning conditions letter dated November 11, 2013, reflecting the approval of SLUP-11, the Mt. Bethel private school SLUP.

We confirm that none of the site plan revisions requested impact the conditions of SLUP-11, previously approved and that the proposed location of the new tennis courts meets all of the buffer and setback restrictions applicable to the Property.

Mt. Bethel's Application meets and exceeds the minimum requirements of the Zoning Ordinance. We respectfully request the approval of this Application at the Board's September 16, 2014 hearing.

We are happy to answer any questions or provide any information that the Division, its consultant or the Board may have with regard to the Application.

Sincerely,

James M. Ney

Re: Application for "Other Business" filed by Mt. Bethel Christian Academy, Inc. (the "Application") relating to property located 2509 Post Oak Tritt Road, Marietta, Georgia (the "Property").

Dear Mr. Pederson:

This law firm has the pleasure of representing Mt. Bethel Christian Academy, Inc. ("Mt. Bethel"). Mt. Bethel respectfully submits for your consideration and approval the Application which will, among other things, (i) extend the duration of the use of the temporary modular classroom unit approved under OB-018 (2017) which is set to expire on June 1, 2020 (the "Existing Modular"), and (ii) allow for the placement of an additional temporary modular classroom unit on the Property. If Mt. Bethel's Application is approved by the Board of Commissioners, as requested, Mt. Bethel agrees to comply with the following conditions:

1. SLUP 11 is generally conditioned upon and subject to, among other items, the Phase 1 (G-1) and Phase 2 (G-2) site plans prepared by Collins Cooper Carusi Architects, dated August 29, 2013, last revised October 15, 2013, and filed with Cobb County on October 24, 2013 (collectively, the "SLUP 11 Site Plans"). In addition, SLUP 11 shall be expressly conditioned upon that certain Mt. Bethel Christian Academy Upper School Site Plan dated April 4, 2019 and prepared by On Site Civil Group, a copy of which is attached hereto as Exhibit "A" and made a part hereof (the "Modular Site Plan"). In essence, SLUP 11 shall be generally conditioned upon the SLUP 11 Site Plans as the same have been expressly amended and modified by the Modular Site Plan, and all items set forth on these three site plans are approved.
2. As expressly acknowledged and shown on the Modular Site Plan, Mt. Bethel will locate a temporary modular classroom unit at that location indicated in red, and

Mr. John Pederson, Zoning Division Manager

said modular classroom unit will contain no more than 6,200 square feet (the "New Modular").

3. The underpinning, stabilization and landscaping of the New Modular will be completed, connected and in an operational condition on or before July 29, 2019.
4. Mt. Bethel agrees to comply with and conform to the requirements of the Cobb County noise ordinance codified in Chapter 50, Article VII of the Official Code of Cobb County, Georgia from 11:00 p.m. until 7:00 a.m. each day. The Upper School Facility Manager shall be responsible for responding to notices of alleged violations of the noise ordinances received between the hours of 11:00 p.m. until 7:00 a.m. each day, which such Upper School Facility Manager shall make reasonable efforts to respond to such notices within one (1) hour of receipt of same. The current Upper School Facility Manager is Mr. Steve Colley, with a contact number of (678) 246-8311.
5. The approval of this Application shall provide for (1) extending the duration of the use of the Existing Modular approved under OB-018 (2017), which is set to expire on June 1, 2020 and shown in green on the Modular Site Plan, to June 1, 2023, and (2) allow for the placement of the New Modular on the Property through June 1, 2023. It is clearly acknowledged that these dates may need to be extended.

Sincerely,

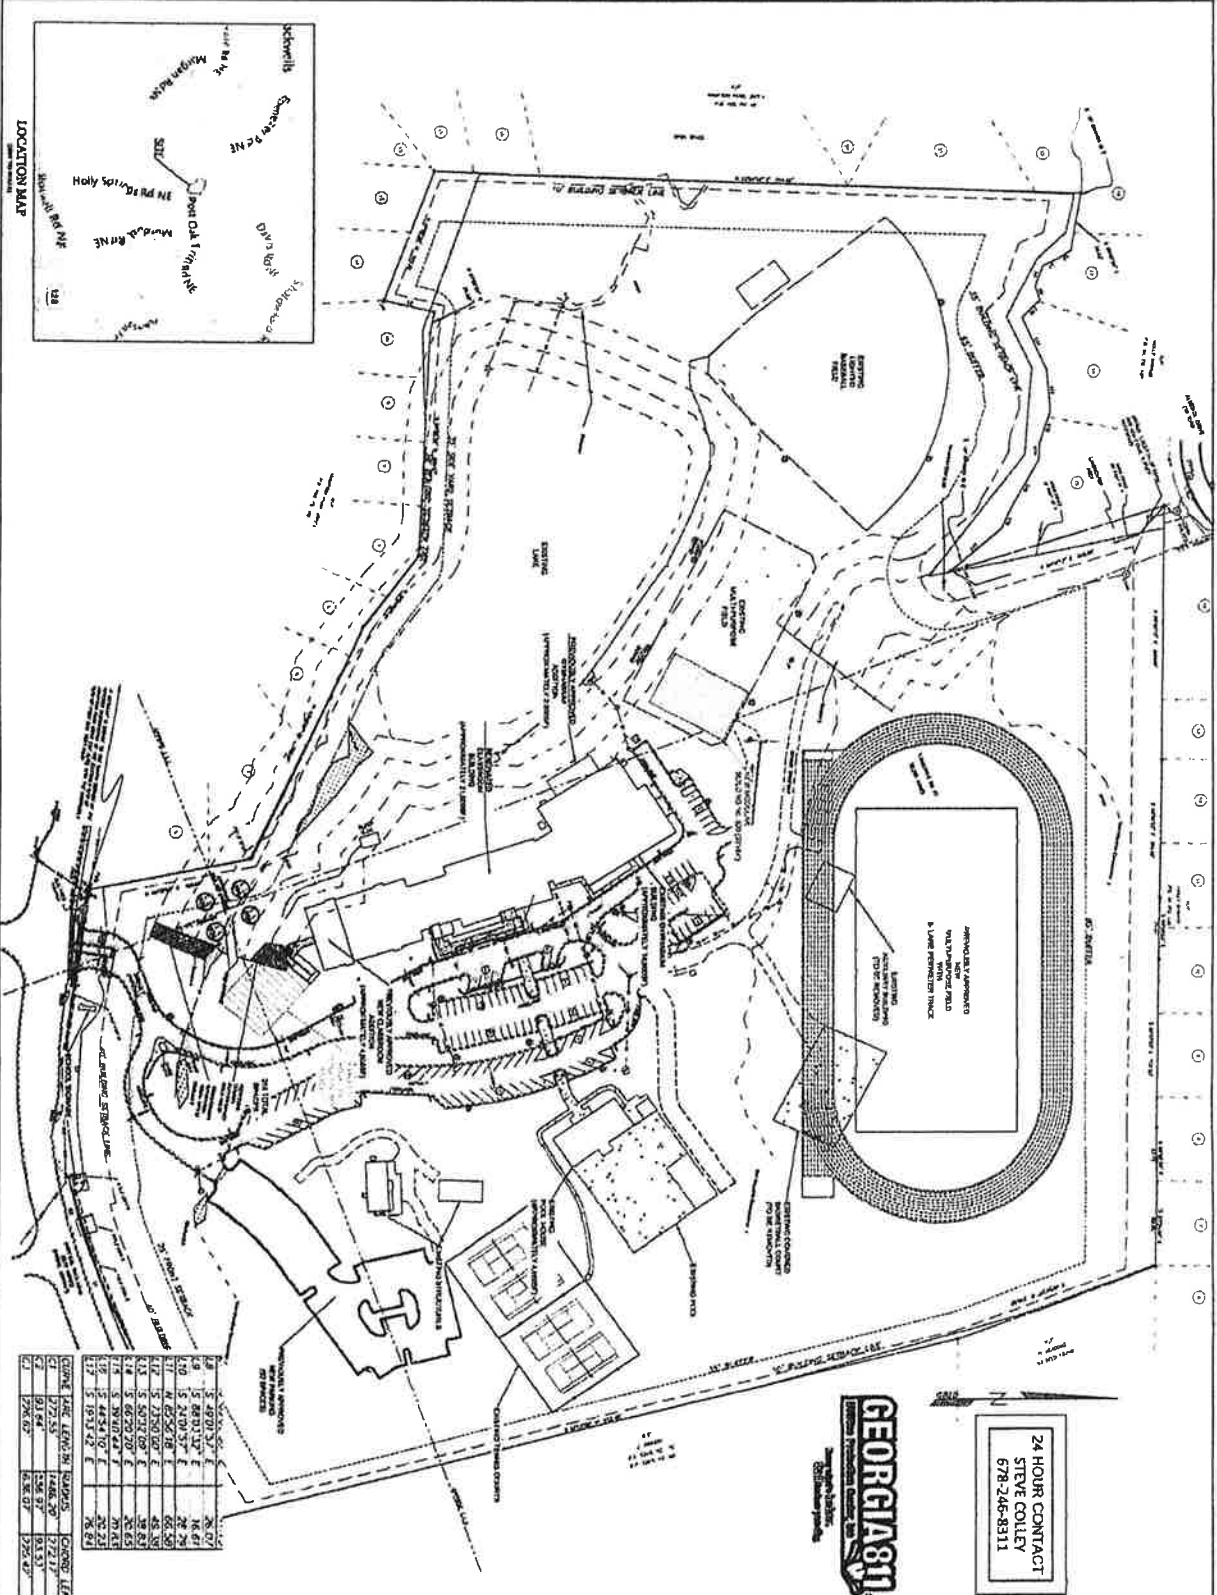

James M. Ney

Petition OBI 28: Mt. Bethel Christian Academy, represented by Jim Ney, 770/956-7600, requests to amend the site plan to the one dated April 15, 2019 to allow for two additional portable classrooms and to extend the time that the four portable classrooms can remain on the property until June, 1, 2025.

Property is located at the intersection of Post Oak Tritt and Holly Springs Road (2509 Post Oak Tritt).

Discussion:

- Discussed with the surrounding neighbors.

This request is a result of a complaint from the neighbors. The new modular classroom is already on the property prior to this OBI application. Despite meeting with the applicant for months prior to this request, the latest being March of 2019, this new classroom was not mentioned nor did it appear on the last site plan. This is begging forgiveness.

In the stipulation letter dated May 15, 2019, Mt. Bethel Christian Academy has now indicated that they want only one modular classroom not two in their original application. They have requested that the period for use be changed from the original application until June 1, 2023.

In addition, they have requested that the existing modular classroom approved in OBI 17 of May 2017 be extended to June 1, 2023 from June 2020.

This is the 3rd time the applicant has petitioned the BOC for changes to their site plan in two years. The plans continue to change even from the time an OBI application is submitted to when it is heard as indicated by the number of modular classrooms originally requested and how long they will be in use. Their plans appear to change quickly.

To that end **ECCA recommends the following changes to the stipulation letter:**

1. **Stipulation #1** add "All previous stipulations to remain in effect."
2. **Stipulation #2** add "District Commissioner to have final approval of the landscape plan surrounding the new modular classroom."
3. **Stipulation #5** Deleted.

In addition, **ECCA recommends** that the **new modular classroom be approved for 12 months unit June 1, 2020.** This will make the timeframe for both portable classrooms expire at the same time.

ECCA recommends that the requested extension for the existing modular classroom be denied.

Mt. Bethel can come back in with an OBI request for an extension for all portable classrooms at that time when perhaps their plans are more firm.
